AUF - National Integrity Framework
SIA - PLAY BY THE RULES

- Sport 101 is designed for athletes U18 but is open to all. It is highly recommended for this age group as it builds awareness and good habits, helping young athletes understand their rights, responsibilities, and how to speak up if something isn't right.

- In general, SIA courses are suitable for older teens (15–17). Younger athletes may also complete them (or be required to if selected in the U15 National Team) with parent or guardian approval if under 18.

- All listed SIA courses are the minimum mandatory requirement. Clubs and State Commissions may require additional training of their members, but not less.

- Courses are reviewed annually by SIA and the AUF to ensure relevance and improvement.

Empower yourself. **D**o the right thing. **G**uide fellow sportspeople. **E**levate your performance.
