

MPIO UPDATE (Nov 25)

MPIO STRUCTURE UPDATE

- ★ An MPIO is **NOT** required at Club Level (due to small member numbers at club level) - however clubs **ARE** required to clearly advertise who their State Commission MPIO is, and how to contact them. (Larger clubs may choose to appoint an MPIO)
- ★ An MPIO is **REQUIRED** at State Commission Level - you can choose to have one or two, male or/and female - The State Commission is responsible to communicate who the State MPIO is to their state clubs and UHA. If your state does not have an appointed MPIO, the AUF requires that they appoint one prior to Nationals 2026. (MPIO's not required to attend)
- ★ Complete both the [Play By The Rules](#) online and face to face training to become an MPIO
- ★ The UHA SIO will communicate, support and supply resources to State MPIO, who will feed information to their clubs.
- ★ [MPIO Promotion Toolkit](#) - This document refers to 'club toolkit,' please use this as a 'State Commission Toolkit' for your MPIO position. Please specifically refer to 'What an MPIO **does** do,' and 'What an MPIO **does not** do.'
